6 WEEKS OF VIRTUAL POWERFUL LEADERSHIP TRAINING

This 6 weeks Virtual training is designed for entry-level to mid-level leaders to guide, coach, and provide tools to increase effectiveness and meet the demanding challenge of being a great leader.

We will focus on relevant topics to develop, strengthen, and sharpen your skills while networking with other like-minded leaders.

Leaders must have a safe space to discuss management concerns and receive feedback to develop action plans to drive results.

The Fall leadership class of 2022 will be 6 weeks of Virtual POWERFUL Leadership.

Are you ready to become a more intentional, effective, next-level leader?

1 DISC Assessment

2 Emotional Intelligence

3 Communication Skills

4 Team Accountability
